Funeral of Edward Stock from 1410 Washburn Street—Pall Bearers from Knights of Malta and G. A. R.

At 2 o'clock yesterday afternoon was held the funeral of the late Edward Stock, who passed away at his home, 1410 Washburn street, on Wednesday morning, after an illness of three weeks. The services were held at the home, Rev. S. F. Mathews, of the First Baptist church, officiating. Rev. Mathews gave comfort and consolation to the afflicted family and friends, and offered the hope of the reunion in the home above.

The floral tributes were very beautiful and consisted of casket bouquets, set pieces and a pillow. At the close of the services, the funeral cortege moved to the Dunmore cemetery, the Knights of Malta and Grand Army of the Republic being conveyed in two special cars. At the grave, as the flower-laden casket slowly sank from view, a detachment of veterans fired three volleys over the open grave. Taps were then sounded. The funeral was attended by Knights of Malta, No. 133, and Post 139, Grand Army of the Republic. The pall bearers were selected two from the Knights of Malta, two from the G. A. R., and two from the life-long friends of the deceased.

Received Paralytic Stroke.

It was a sad surprise to the many friends of Mr. Keene, the Jackson street jeweler, to learn that he is seriously ill at his home on Jackson street, as the result of a stroke of paralysis. On Thursday evening Mr. Keene was leading a cottage prayer meeting at the home of Mrs. Mills, on Delaware street, Green Ridge. He had finished reading the Bible and was reclining in a chair, listening to a prayer, when he made a low moan and motioned for some one to come to him. Several of those present went to his assistance and found that he was unable to move or talk.

A physician was immediately summoned, who pronounced it to be paralytic and ordered him removed to his home. All day yesterday he was totally unable to move or talk, but last evening he was able to use his right hand and speak a very little. He has the sincere sympathy of a host of friends, who wish for him a full and speedy recovery.

After Many Years.

Over thirteen years ago Mrs. O'Hara, of 1824 Lafayette street, while sewing, ran the needle into her hand where it broke off and resisted all efforts at extraction. The wound bothered her for a year or so when a physician probed for it, but was unable to locate the bit of steel.

The wound healed and years passed on without it giving any pain, but recently it again started to cause trouble so Dr. J. J. Brennan was called into consultation. He reopened the wound and located the needle, with the result that after thirteen years it was taken from its human resting place.

MELANCHOLY WOMEN.

Always Afraid Something Dreadful is Going to Happen. Why Should Women Have the Blues More Than Men?

When a cheerful, brave, and light-hearted woman is suddenly plunged into that perfection of misery, the blues, it is a sad picture. It is usually this way:

She has been feeling out of sorts for some time, experiencing severe headache and backache; sleeps very poorly and is exceedingly nervous. Sometimes she is nearly overcome by faintness, dizziness, and palpitation of the heart; then that bearing-down feeling is dreadfully wearing.

Her husband says, "Now, don't get the blues! You will be all right after you have taken the doctor's medicine."

But she does not get all right. She grows worse day by day, until at last she realizes that a distressing female complaint is established. Her doctor has made a mistake.

She loses faith; hope vanishes; then comes the morbid, melancholy, everlasting blues. She should have been told just what the trouble was, but probably she withheld some information from the doctor, who, therefore, is unable to accurately locate her particular illness.

Mrs. Pinkham has relieved thousands of women from just this kind of trouble, and now retains their grateful letters in her library as proof of the great assistance she has rendered them. This same assistance awaits every sick woman in the land. Write her to-day.

How Two Women Were Cured.
"DEAR MRS. PINKHAM:—I was troubled very much with female weakness, falling of the womb and bearing down pains. Could not walk fifty yards without stopping to rest, and could not do my work. Life was a burden to me. Now, thanks to Lydia E. Pinkham's Vegetable Compound I am well and hope that every suffering woman will write to you and be cured."—Mrs. H. R. Wells, Castlegate, Utah. (Aug. 29, 1900.)

"DEAR MRS. PINKHAM:—Please send me your advice in my case. The doctor has examined me, and said my womb was out of place, crooked, and inflamed, and that he could do me no good. I am twenty-five years old and have been in bad health for five years. Menstruation is not regular, I have a discharge all the time, have sleepy spells, my sides and back hurt all the time, and am reduced to a mere skeleton."—Mrs. MAGGIE STARRETT, Keyser, W. Va. (May 16, 1900.)

"DEAR MRS. PINKHAM:—I highly praise Lydia E. Pinkham's Vegetable Compound for the good it did me. It caused my menstruation to come all right which had not been for one year, and I am otherwise well, thanks to you."—Mrs. MAGGIE STARRETT, Keyser, W. Va. (Oct. 4, 1900.)

\$5000 REWARD.—We have deposited with the National City Bank of Lynn, \$5000, which will be paid to any person who can find that the above testimonial letters are not genuine, or were published before obtaining the writer's special permission. Lydia E. Pinkham Medicine Co., Lynn, Mass.
